Strength of Life was formed in memory of Evelyn Knapp, an exercise physiologist and co-founder of Personal Training Institute. In 2005, at the age of 40, Evelyn lost her battle with breast cancer. After her diagnosis, Evelyn continued to exercise saying it gave her control in an uncontrollable situation. Evelyn's passion was helping others achieve optimal health through exercise and nutrition. Our mission is to help others regain their strength for life, with Evelyn as our inspiration, and to keep her memory alive.

Strength for Life is a 501(c)3 not-for-profit organization that provides FREE exercise classes and wellness weekends to cancer patients and survivors.
